About This Game

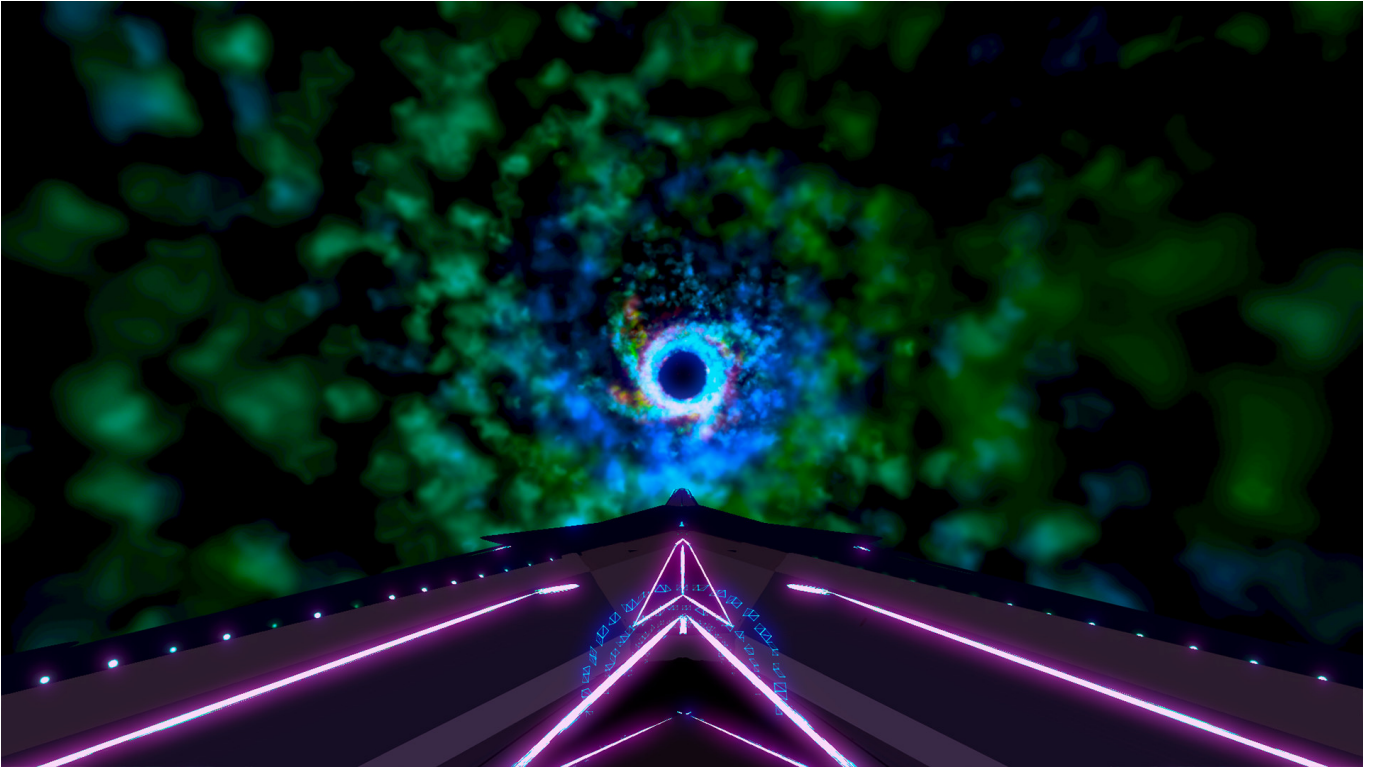

Icarus Six Sixty Six is an intergalactic musical VR experience. The pulsing metal symphony sets the tone for the intense and colorful ride through space. Icarus Six Sixty Six samples a track from Brendon Small's new album, "Galaktikon II: Become the Storm." Brendon Small is the mastermind behind metal band DETHKLOK and albums "The Dethalbum" and "Metalocalypse: The Doomstar Requiem."

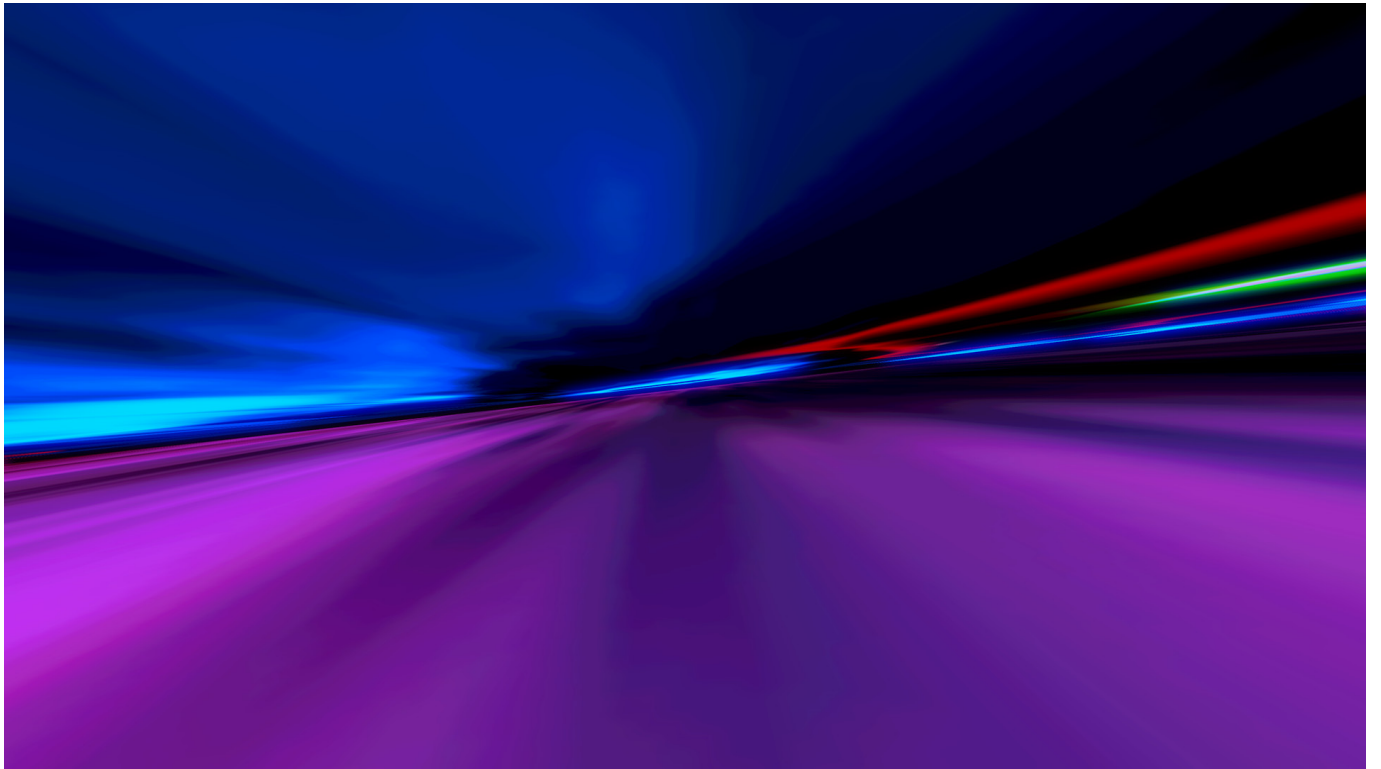

Award-winning animator and director, Dylan Carter directed Icarus Six Sixty Six and Titmouse president and owner, Chris Prynosi and Antonio Canobbio, Titmouse creative director created the art using the audio reactive brushes in Tilt Brush, Google's virtual reality app.
